To Whom It May Concern,

I am writing in reference to Mr. Whick Turner. Mr. Turner spoke in our chapel service last year, and he was a great encouragement to our student body. He presented an excellent message based on the Word of God and his life experience.

The students were affected very positively and grew from the message personally as did the staff. We are planning to have Mr. Turner return again to our school in the near future.

It is obvious that Mr. Turner is a man of integrity and character. He has a tremendous relationship with the Lord and is a fine example for children and adults.

Should you need any further information, you may contact me at any time.

In Christ, for the children,

Lisa Moore  
Principal
