## **Welcome to On Top of My Mountain e-Newsletter**

**W**elcome to the first edition of our e-newsletter! We are excited to keep you informed with what God is doing with the ministry, *On Top of My Mountain* (OTOMM).

### **What Is OTOMM all about?**

OTOMM is a ministry exalting Jesus Christ with the message of hope and inspiration, empowering individuals to become Champions for Christ. Our vision is to touch lives - one life at a time – one family at a time, for the glory of God.

Whick & Yazmina Turner are committed to serving God and a loving couple whose hearts are for strengthening those they come in contact with to overcome and be successful for the Kingdom of God.

We thank you for your support and most of all, your prayers, as we reach the summit of touching lives for Christ.

### **Nuggets4Lifewithwhickdturner**

**A**s many of you know, nuggets play an important role in my messages, and I have one for you – *Keep Believing: It Will Happen!*

There is a chapter in my book with the same title and while browsing through an aisle at a book store, I came across that nugget and claimed it for my own. Since that time, I've declared it over in my life for my healing miracle. Somehow I'm within reach of receiving God's supernatural touch! It's in the air, and if you notice it's all around in the words being spoken for 2010.

We are positioned in the right place at the right time and believe me, it is happening. Just recently, while volunteering at the TBN station in San Antonio, I was tapped on the shoulder, pulled into the studio, prayed for, given a word of encouragement and Yazmina too, just for helping out with a prayer line! I just happened to be in the right place at the right time! Therefore, keep believing, for your miracle will happen!

#### **Youth Telling Their Success Stories**

Having someone give their life to Christ for the first time is an awesome experience and while at a youth detention center in Hondo, Texas, 8 teenagers committed to Jesus and are on their way to telling their success stories. We are heading back to Ever Change Academy on January 31<sup>st</sup>, and look forward to sharing with 20 teenagers the love of Jesus with worship and a message of hope titled, "Your Mess is God's Success". No matter what, God never leaves anyone out of His plan, regardless. He continues to have us on His mind and we are believing for lives to be touched as we minister.

## **Skunk Sprays Cooper!**

### **Hello Mighty MountainKIDS - its Super-Duper Cooper**

Hey Mighty MountainKIDS! This is Super-Duper Cooper here – Woof! Been taking care of my master and not learning any new tricks, just doing the same old, but stuck my nose in the wrong place the other night. Yep, I got sprayed by a skunk! It was a stinky mess and I had to sleep in the laundry room for two days! I’m not going to get around them stinky things again. Remember, Jesus loves you and Super-Duper Cooper does too! Keep climbing toward your dreams.

## **Mina’s Mountain Moment**

### **Wrapping It Up**

Well, my wonderful husband saves me for last, so I guess I’ll wrap up this first newsletter by saying, “WOW”!

This is just a sample of what we hope to do going forward. Our heart’s desire is to see people reaching their full potential for Christ and we’re seeing it first-hand. Traveling these past several months has opened my eyes in seeing what God sees, and I want to be right where He wants me.

Let go and let God! He wants you to fulfill your dreams, for He has a plan for your life to succeed. God bless you and hope to see you soon!
